

The Lord is Faithful!

All praise to God for His abundant and faithful provision! We now have all the money needed to proceed with outfitting our Neonatal Intensive Care Unit (NICU)! Thank you to those who gave so generously to help us take better care of these little ones, the most helpless and vulnerable. And as we prepare our hearts for Christmas during Advent season, let us remember that God did not come to us in power and majesty, but He chose to enter our world in humility and humanity—a baby in a manger. Thanks be to God for this greatest and indescribable gift!

PRAISE

1. Praise for the generosity of those who gave to the NICU fund!
2. Praise that our teammate, Cathryn, an OB-GYN, has raised all her support and will be starting language school in France in January!
3. Praise for a blessed visit with a medical team of 12 from Dan's home church, Jacksonville Chapel, in November. They were a huge help in the warehouse.
4. Praise that Dan's parents despite some health concerns have been able to spend time with their MK grandchildren for the past month. They last saw them a year ago.
5. Praise that the construction of the guesthouse is going well and quickly. We hope to finish it early 2017.

PRAYER

1. Pray for the packing and sending of all the NICU equipment. With the loss of our warehouse space in Atlanta, we will temporarily park two 40 ft. containers in the parking lot of Jacksonville Chapel. Pray for many helping and willing hands to prepare the container in the midst of holiday season and the cold weather. We hope to send it off to Mali by the end of the year.
2. Pray for the health of our family as we are in "cold" season and have been sick on and off.
3. Pray for the staff at the hospital to shine the light of Jesus brightly especially during this time of year.
4. Pray for Dan as he balances so many responsibilities and needs both inside and outside the hospital.
